PLAINTIFF'S EVIDENCE FOR SUBMISSION

Now Plaintiff Rustin G. Jackson appears to submit evidence to be used in this case:

List of Evidence as submitted (numbers indicate page number of numbered document):

- 1 Campbell County Session Court CM149133 Docket History.
- 2 Court Sheet CM149133 Campbell County Session Court
Documents (1-2) show Defendants scheduling conflicts with forensics evaluations and court appearance dates. (Violating the 5th and 6th Amendments and then using the missed evaluations as reason for NGRI). Same documents are evidence supporting further claims of violations of speedy trial in said amendment rights. Also shows requests for Subpoenas for witness Linda Chapman which the Campbell County Sheriff's Deputies refused served.
- 3 Demand for Dismissal due to Lack of Speedy Trail
April 19 2004, filed by Rustin G. Jackson in Campbell County Session Court.
- 4 Demand for Speedy Trail
Documents submitted by Plaintiff Rustin G. Jackson, motions for Speedy Trail submitted Pro Se at the time by Rustin G. Jackson on July 1, 2004.
- 5 Letter from Gloria Lee,
Written June 21, 2004 Public Defender stating that regulations for Speedy Trail had not been met.
6. Letter to Gloria Lee from Carolyn Jackson, August 2, 2004 who had located eye witness Linda Chapman. In the upper right hand corner, is the hand written note August 4, 2004; where Ms. Lee had interviewed Ms. Chapman, sustaining that the Defendants Darrel Mongar and Dustin Rose had continued to assault Mr. Rustin Jackson while he was handcuffed and incapacitated.

7. Order for Release

Order from Judge Sexton, releasing Rustin G. Jackson from the Lake Shore Evaluation after 60 days on October 30, 2004. Written the 27th day of October

8. Lake Shore's Request for Mr. Jackson's Release

Letter From Deborah Ingle, to Judge Sexton, Michael Ripley, Charles Herman, Sylvia Whaley and Forensic Services specifying the completion of the evaluation and that Mr. Jackson was psychiatrically stable, and requesting his release for October 30, 2004 after the minimum 60 days.

9. Waiver

Evidence of Forgery as Plaintiff did not sign this document, and refused to sign this document when suggested to by hired attorney R. Keith Hatfield. Mr. Hatfield had said that he had conferred with the court and as long as there were no further incidents within a specified amount of time the charges would be dropped and the record expunged.

10-12. Campbell County Sessions CM143843

Shows violations of 5th and 6th Amendment, where Mr. Rustin Jackson was apparently convicted without trial (never even been informed of either conviction or sentencing), then introduced into double jeopardy when this case was retried in 2004, also evidence of several fees and fines such as drug tests and fingerprinting that never took place. Where the money of such fees and fines came from is questioned as Mr. Rustin G. Jackson was never notified. *Accourt date not attended, had no glass pipe or bag of substance*

13. Bill from Ridgeview (used as medical expenses to determine damages)

Bill sent on 6/30/2004 which was received by Mr. Rustin G. Jackson by Ridgeview Psychiatric Hospital for Forensic evaluations.

14. Bill from Lake Shore Mental Hospital

(used as medical expenses to determine damages) Sent 22-Nov-04

15. Page from Lake Shore Report

Page from admittance showing where patient is allergic to Zyprexa which was prescribed during first visit, during admittance Mr. Jackson refuses any further medication and admitting staff agrees as they have seen no need and his allergic reactions have shown dangerous side effects of the previously prescribed medication. 8/30/04

16. Page from Lake Shore Evaluation Report

Page showing unresolved effects from closed head injury upon final evaluation, stating that any questions involving Mr. Rustin G. Jackson Cognitive or Psychotic states are Moot, also final evaluation evidential of concussion syndrome caused by direct actions of the Defendants. Also not the large amounts of medication prescribed and enforced by decision of review committee requested by Dr. Malikal by the Lake Shore Tennessee State Hospital.

17. Insurance records.

Medical Expenses deriving from the concussion syndrome caused by blows to the head by the Defendants, and subsequent Negligence while in their care and allergic reactions of medication which Mr. Jackson was both injected with and orally ingested "as prescribed" during his stay at Lake Shore.

18. Medical Expenses – Primary Care

19. Letter From Ridge View – Ms Janet Kitts. Date unknown

Specifying that Mr. Jackson is attending Adult Rehabilitation services, including basic education in living skills, reading comprehension and mathematics in hope of recovery from his closed head injury.

23. Photographs

Visible injuries to Mr. Rustin Jackson's knee caused by Defendants Dustin Rose and Darrel Mongar taken by Rustin Jackson on March 31, 2004 after his release from Campbell County Jail.

24. Letter on 10/31/03 to Keith Hatfield

(mislabeled to Michael Hatmaker when I looked up address in phone book, probably sent to Michael Hatmaker as well, also a local attorney) Specifying my worries and suspicions of rumors and activities occurring.

25. Letter on 3/25/03 to Volunteer Times

Letter to local newspaper to which I later freelanced photographs, from myself when after being stopped several times with no cause thought I better start having a voice in the matter, showing early evidence of a pattern.

Re: Your Case No. CM150714, CM 149133, General Sessions Court

Dear Mr. Jackson:

I have received your letter dated June 18, 2004 and this is my response.

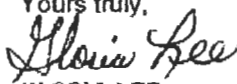

First, as far as the speedy trial you had requested, that was not feasible due to the fact that you was going through the procedure of being evaluated and that took some time to do. I have enclosed a copy of the finding of Lakeshore as to the status of your competency to stand trial. As it states in the letter, you can use the insanity defense if you should proceed to trial.

Second, discovery is not produced by the State until the case is set for trial, which in your case it has not been. You have not yet had a preliminary hearing. Your hearing is now scheduled for July 20, 2004 at 1:10 PM. You will need to be in court at 12:10 PM which is one hour earlier than your prelim is set for. If you have a preliminary hearing and your case is bound over to the Grand Jury, then that will be in October. If you are indicted then your case will be set for trial. we can, at that point, request discovery in your case. Of course, there is also the possibility that your charges could be dismissed all or in part.

We will talk with you on your court date. However, if you wish to schedule an appointment to discuss these matters prior to your court date, then please call this office and do so.

If you have any other questions or concerns regarding this matter please call our office.

Yours truly,

RE: State of Tennessee vs Rustin Jackson, No. 12248

Dear Judge Sexton:

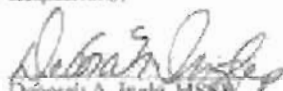

Mr. Rustin Jackson was admitted to Lakeshore Mental Health Institute on August 30, 2004 by order of your court for a 60 to 90-day evaluation after being found not guilty by reason of insanity on the charges of Resisting Arrest, two counts, Destruction of Government Property, Aggravated Assault two counts, and Domestic Assault. The evaluation was ordered pursuant to T.C.A. 33-7-303(a).

After completion of the evaluation, the forensic team has determined that Mr. Jackson does not meet commitment criteria pursuant to T.C.A. 33-6-502. Furthermore, the staff determined that he does not require a forensic mandatory outpatient treatment plan pursuant to T.C.A. 33-7-303(b). Mr. Jackson is psychiatrically stable and has demonstrated a willingness and ability to remain compliant with psychiatric treatment without being required by court order to do so.

Mr. Jackson may be discharged as soon as the 60th day of his commitment but no later than the 90th day of his commitment. Please advise me by telephone either by the court, district attorney's office or public defender's office when we may discharge him.

Question to ask, why were the police involved. Why were they called.

Over three years ago, Campbell County Deputy Mongar pulled me over on what seemed like a random stop. He is the Canaan Unit presently, after conversing for a short time, information divulged after he questioned me about a stack of paperwork in the passengers seat with Law Enforcement seals showing, at the time I worked for HIDTA (Hi Intensity Drug Traffic Area) and CTAC (Counter-Drug Technology Assessment Center). He seemed to take great interest in me and my affairs since then. Yesterday he pointed himself out to me, asked me if I worked for HIDTA reminding me of the incident. The reason for his interest is unknown. I had told him that it was sensitive information, and that I would appreciate him not telling anyone, but it seems him telling people about it brings him great joy.

I did ask my work three years ago about a grant for this area, the idea was roundly rejected by my supervisors, and seemed worried about any influence that would prompt me to ask.

In the last three years, I've been several times randomly stopped (too many times) Several times by Campbell County under very strange pretenses. One officer chased me to a stop light then came along side saying that I was a "drive off" from a certain gas station. I told him I had not been there. He responded by saying he, "just wanted to try me out." and walked off. Attached is another description of such a stop.

I am worried about this undue interest in my activities and need see what we can do to make it otherwise.

I went to Woodson's World of Shopping there to purchase the oddities of my newly formed vegetarian diet and a copy of the LaFollette Press. I stopped to see what was happening at our local message board and check on some courses at Roane State. As I was driving down Jacksboro Pike, I found myself being followed by flashing lights while driving past "old-Woodson's". Two more cruisers joined the chase pulling in from side of the road where they had been waiting. Realizing that I wasn't speeding and could not be the target of any concern that I could have brought to bear, I continued to Sonic where I pulled into one of the berths (also being nervous about unexplained behavior from the local law enforcement, I wanted to be in a public place.)

An angry looking officer walked up to my window and asked to see my license. I asked the purpose of him being there as I showed him my license. He offered some bogus reasons as to why (that I was speeding), which I told him that I hadn't been, then he said erratic driving, again I told him that was not the case, he seemed angered even more; he looked like he wanted to do more, but looked about at all the witnesses, then he walked back to confer with his partner. He came back and said that the night manager at Woodson's had called and reported a suspicious person and had indicated the tan van. When he returned my license to me, he finally asked why I had been at Woodson's. I responded by lifting one of the plastic bags beside me bearing their logo. He apologized for bothering me and they went on their way. I proceeded to order a Slushie from the sonic girl who next appeared at my window, and went home.

Once I returned home, I called the mall to confirm that they had made the call. I asked for the night manager and it happened to be the person I was talking to. I asked him if he had indeed had called a complaint to confirm it hadn't been harassment. He hung up the phone. I pushed the redial button. This time he said there were "50 night managers here" and proceeded to rant about "it's not that simple" and refused to surrender his name. At this point I contacted Officer Mozingo who had responded to the complaint that they had filed. After sending a letter to the clerk, they sent me a copy of the complaint bearing the night managers name, "ORICK, DANNY" and the complaint of suspicious person (even though I happened to be wearing a suit if not tie at the time). I would love to hear a reason for complaint from the "want to be anonymous" management of a mall who didn't want shoppers.

I still wonder why Woodson's would drive business away. After attempting to be a staunch advocate for them, I finding myself asking the question; "Why?" and also wonder about the several times I've been stopped by very aggressive officers always seeming to mistake me for some other person. It entered my mind that the store could have been prompted by the officers, considering I had only been in the store a few minutes and noticed them pulling in the parking lot behind me, possibly being my vehicle's similarity to someone they find threatening.

Attachment 2 of 5

Governor,

Needing to draw your attention personally in order to ensure the spirit upon which our state and nation is founded on. A cascading chain of events, starting with a notable reference of an incident in Knoxville, TN last year has set off a series of improbable actions extending past the borders of our state. Once part of ONDCP/HIDTA through CTAC with several out-of-state local and federal agencies I was a researcher evaluating avenues and access to technologies.

While I was on my job, my life was threatened by several incidents. Surviving each miraculously, only to be faced with another. These included several car incidents, one by a semi-truck in which the driver was never even tested or questioned on the scene which ended with me a two co-workers being hospitalized, add to that the arson of my dwelling in Knoxville. None of these events were ever properly investigated. Undue attention began to be presented my way during the course of daily activities. Physical and verbal threats with unknown provocation while I was working within the state with Nashville Metro as a client. Once I moved away from my job, several unseemly conflicts arose with authorities while travelling, much to my surprise. I would like aid in addressing these at this time.

My would-be clients have turned aggressive and negligent with their duties. A clear pattern of harassment is indicated, frankly with would-be authorities out of control in what can only be called a conspiracy to deny civil rights.

I would like closure on these events with rewards, possible financial, especially dealing with events dealing with multi-state representatives. My alternative is to approach Washington with my case. I am addressing you to see what actions you would suggest or undertake on my behalf, and what avenues may be open.
